

Howdy Kids. Welcome to Guardian Pharmacy!

Guardian is a leading provider of pharmaceutical care to both assisted living and long-term care communities within South Florida. We work with our communities' doctors, nurses, and facility administration to ensure all medication is safe, correct, cost effective and affordable. We are totally committed to providing the utmost in patient care right from the building you're sitting in.

Today, you'll get to meet and observe our staff of pharmacists, technicians, nurses and other professionals who ensure our vision to *"deliver the best care to our patients with competence, commitment and compassion"* are always met. Everything we do here focuses on improving the quality of life for our patients and as you're about to find out, create a super cool place for your parents to work.

We hope you not just enjoy your time with us today, but that you'll leave inspired. Perhaps someday in the future, you will consider joining the pharmaceutical industry too. Believe us, there is nothing more rewarding in life than knowing you've made a difference for someone else!

Enjoy the experience!

CAREER FAIR &
TOUR

Time to get dressed for the Pharmacy Tour.
We got our very own custom lab coats!

The Data Entry, Cycles & Billing Departments started the day off right!

Ms. Dana in Fulfillment showed us how they package the medication. We made our own with Skittles!

Even the Drivers (contractors) talked to us about careers in logistics during the tour!

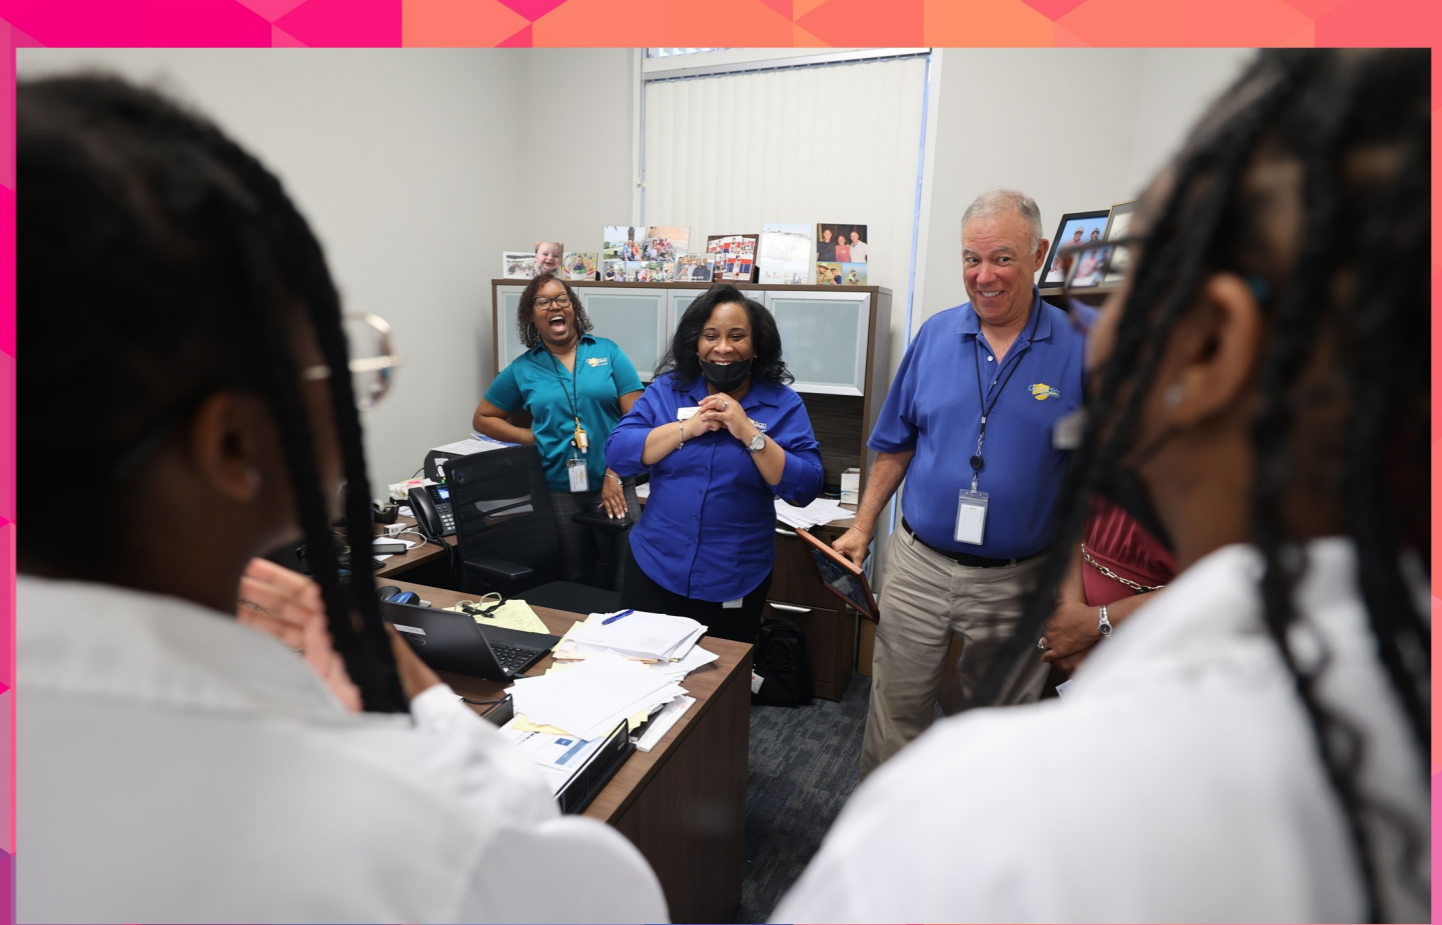

We listened really well & learned so much today!

Ms. Alana deputized us as Medical Records Technicians. Now our Parents want us to get jobs!

**Then we invaded
the Executive
Wing & took over
the Presidents
office! Mr. Alan
really enjoyed
having us here.**
